Re: SY2016 Precision Exams
Date: November 2, 2015

The Career Development Bureau's (CDB) review and alignment of New Hampshire's CTE programs and Precision Exams end of program assessments (EOPA) has been completed. Below you will find a list of the career clusters, CIP coded CTE programs and their corresponding Precision Exams assessment. This year's EOPA will include 29 of NH's CTE programs. All level/year two sections of these 29 CTE program areas are required to complete the correlating Precision Exams EOPA or other approved EOPA by the end of SY2016.

Further development of CTE program and EOPA alignments for the remaining CIP codes will be conducted by the CDB and released for SY17.

Do not hesitate to contact the CDB with any questions or concerns. Primary contact for Precision Exams is Melissa Ritchings at 271-5198 or Melissa.Ritchings@doe.nh.gov.

| Career Clusters | NH CIP Codes/Programs | Precision Exam | Other Approved EOPA |
|---|---|--|---------------------|
